Sir/Madam:

It is hereby requested that a Certificate of Correction be issued with respect to Patent No. 7,330,036 B2, granted February 12, 2008, correcting printing errors appearing in the above-identified United States patent. Two copies of the text of the Certificate in the suggested form are enclosed.

The errors are that of the USPTO. One of the errors is failure to list Gurtej S. Sandhu as an inventor. He should have been so listed pursuant to the four page Declaration that was filed on July 13, 2003 in the application

which became the 7,330,036 patent, as the file history evidences. A courtesy duplicate copy of such Declaration is included herewith.

As the errors are that of the United States Patent Office, it is believed that no fee is due. However, in the event that a fee is required for issuance of this Certificate of Correction, please charge the fee specified under 37 C.F.R. § 1.20(a) to Deposit Account No. 23-0925. Please credit Deposit Account No. 23-0925 with any overpayment of the above fee.

Issuance of the Certificate of Correction would neither expand nor contract the scope of the claims as properly allowed, and re-examination is not required.

Respectfully submitted,

Dated: 3-10-08
